*Education is essential to everything we do.
Never stop learning.
- Dr. Mary Stauffer*

Dear Class of 2021,

On behalf of the Board of Education, myself and all our Downey Unified staff... Congratulations on your graduation from high school! Over the past 13 years, you have put in countless hours of work and sacrifice (and hopefully some fun along the way)! We are so proud of the individuals that you've become and know the world will be a better place as you leave Downey Unified and transition into your life journey. We know that this was not how you expected your senior year to unfold, however the way that each of you has responded to the challenge has been a lesson for all of us in resilience and character. We are so happy to be able to honor the class of 2021 by having commencement ceremonies in person this year! We are so excited to celebrate you in person at the end of May!

The Board of Education and Superintendent, Dr. Garcia

Getting it done in 2021!

You came to Downey as young wide-eyed freshman ready to take on the rigors of high school. During your four years you learned the "VIKE VIBE" as well as meeting new friends, taking on new challenges (and a pandemic), competing in sports, performing on the stage and transforming into an adult. You have been through more changes, challenges, highs and lows than just about any class in the history of the school. But your perseverance has served you well. Now you are adults! Ready to take on the world!

Make it a great life or not, the choice is yours!
Your Fearless Leader,
Tom Houts

Congratulations/Felicidades Dr. Zulmy Mancía!

We are so proud of you! You have always worked so hard to make your dreams come true. It has been a long journey, but you never lost sight of your goal to become a doctor and now that day has finally arrived! You have excelled at all levels of education, starting at St. Marks Episcopal school in Downey, then Immaculate Heart High School in Los Angeles, UC Irvine, and now medical school. We look forward to seeing you start your own practice and serving the community of Downey with naturopathic medicine. May God continue to bless you always. We love you.

Estamos tan orgullosos de ti! Siempre has trabajado tan duro para hacer realidad tus sueños. Ha sido un camino largo, pero nunca perdiste de vista tu objetivo de ser doctora y ¡ahora ese día finalmente ha llegado! Te has destacado en todos los niveles de educación, comenzando en la escuela St. Marks Episcopal aquí en Downey, luego en Immaculate Heart High School en Los Angeles, UC Irvine y ahora en la escuela de medicina. También nos da mucho orgullo que serás una doctora que habla español! Esperamos verte comenzar tu propia clínica para servir a la comunidad de Downey con medicina naturopática. Que Dios te siga bendiciendo siempre. Te queremos mucho.

Mom, Dad, and Matthew

CONGRATULATIONS TO THE CLASS OF 2021!

I am proud of you. You are strong, you are resilient, you made it!

Love, Ms. Gillespie

To the Inspirational Class of 2021,

As you wrap up your senior year, I want to congratulate you on your high school graduation and thank you for your perseverance. You have spent your senior year growing up way faster than you ever should have. Instead of dances, games, and a year of making teenage memories, so many of you have taken on adult roles and have experienced loss on multiple levels. For many of you, the only day of your senior year when you will actually step foot on campus will be on your graduation day. Yet, you didn't give up! You have learned the art of putting others first and have learned valuable lifelong lessons that you will carry into your relationships, careers, and eventually parenthood. You are a very special class and I am inspired by how much you have accomplished under these extraordinary circumstances. Please continue to pursue your passion, spread compassion, model generosity, and practice gratitude. On behalf of the entire Warren staff, congratulations and best of luck! The Cave will not be the same without you, but just remember...

Once a Bear, Always a Bear.

Sincerely,
Principal White

Congratulations to the Class of 2021 from Warren High School

Lions,

Today you are experiencing the fruits of your labor as a truly resilient human being who rebounded and persevered in the face of adversity from the harsh realities of this pandemic. You did it!!! We are thankful and blessed beyond words to be experiencing this special moment together! And, for those of us who are not here with us right now, Robert Torres Class of 2020 and Kevin Reyes Class of 2021, we know they are smiling upon us from up above. Grads, you have joined the ranks of all those who have earned their high school diploma and it is my most sincere hope that this marks only the beginning of life-long learning for you. Remember, in your life, education is the one thing that no one can ever take from you and true freedom of the mind. Continue to always believe in yourself; clearly you have it within you!!! And, if ever you or anyone

else doubts your capability, remember us as the ones who will always believe in you and see the greatness within you. We need you to be our leaders of tomorrow. As of today, I want you to make a commitment to pay it forward and stay humble. Looking back, never forget your past journey and those that encouraged you along the way especially in the most difficult and darkest of times. However, always keep your head up and looking forward. May you always keep the sun's ray of hope for the future shining bright upon your smiling face. To our families, thank you so much for your partnership in this incredible journey. When families and schools unite, our kids cannot lose; they will reap the benefits of such a beautiful partnership as is evident by our beautiful and resilient grads. Class of 2021 we salute you!
