Dear Class of 2020,

On behalf of the Board of Education, myself and all our Downey Unified staff... Congratulations on your graduation from high school!

Over the past 13 years, you have put in countless hours of work and sacrifice (and hopefully some fun along the way)! We are so proud of the individuals that you've become and know the world will be a better place as you leave Downey Unified and transition into your life journey.

As we always have fond memories of each graduating class, I think it is safe to say that none of us will ever forget the amazing Class of 2020 and what you have demonstrated to all of us. The way that each of you have responded to this challenge has been a lesson for all of us in resilience and character.

Having had the opportunity to engage with you about the plans for Senior activities and commencement, has increased our admiration for who you are and what you will offer to the world in the future. We will continue to work on getting you the traditional commencement ceremony that you asked for as soon as possible because we all want to see each of you walk across that stage!

Stay who you are Class of 2020... strong, resilient, mature and focused. We will never forget you!

The Board of Education and Superintendent, Dr. Garcia

Dear Downey High School, Class of 2020:

You came to Downey High just four short years ago full of energy and excitement. During this time, you shaped "Vike Vibe" and put your place in Downey High School history by winning CIF championships, more league titles than any other class in history as well as robotics, SKILLS USA and many other competitions.

But what you should be most proud of is the friends and memories that were made while attending the Viking Ship. Yes, the year ended unexpectedly, and we are all disappointed but your spirit, determination and love for each other will endure.

You will always be a special class. The class of 2020, the class that will never be forgotten.

Make it a great life or not, the choice is yours!

Your Fearless Leader,  
Tom Houts

CONGRATULATIONS

"Graduates, I am very proud of each of you! I know the journey hasn't always been easy and while the current pandemic has required real sacrifices and heartbreak, it does not minimize your accomplishments. It still merits all our recognition and applause. With dedication and perseverance, you can achieve the things you want in life. Even when life is unpredictable, I know you all will continue to be resilient and thrive. Always remember your graduation is more than just a piece of paper with a seal on it, it is a reflection of your hard work, dedication, and sacrifices."

## DOWNEY UNIFIED GRADUATES

We are so proud of you and everything you have achieved so far in your academic journey. Your senior year has not gone the way any of us expected, but you have been strong, determined and resilient through all the bumps in the road. We know you will use that strength in your future endeavors and know your time in Downey Unified makes you well-equipped to succeed and take on new challenges as you continue your education or begin a career. We wish you all the best.

**Board of Education:** Tod Corrin, Donald LaPlante, D. Mark Morris, Giovanna Perez-Saab, Barbara Samperi, Martha Sodetani and Nancy Swenson

To the Resilient Class of 2020:

Congratulations on your high school graduation! Accomplishing this huge task is never easy, and you have managed to do so under very challenging circumstances.

In August, I remember fondly your smiling and excited faces on the first day of school; on November 1st, roaring to victory in Justice Stadium; and on March 13th, saying, “see you soon.” I look forward to your graduation ceremony when restrictions are lifted and we are able to come together to properly celebrate each of you and to say goodbye.

I am so incredibly proud of your contributions to Warren High School these past four years. You have brought so much joy and pride to our community through your academic achievements, performances, competitions, and overall school spirit. As a class, you have participated in blood drives, canned food drives, Pennies for TLC, and so many other activities which focused on giving to the community.

In the end, what matters most is what you have done for others.

Don't ever forget that you have made a difference. You have taken great pride in being part of our Bear family , and you should be extremely proud of yourselves. We know you will continue to make us proud in this next chapter of your lives!

Please continue to find your passion, create opportunities, be generous, and be grateful. On behalf of the entire Warren staff, congratulations and best of luck!

The Cave will not be the same without you, but just remember...Once a Bear, Always a Bear.

Sincerely, Principal White

\*For the 2019-2020 School Year, the Mary R Stauffer Foundation presented 200 awards valued at \$218,800 to high school senior students in the Downey Unified School District. These awards are basically two types: 1) Limited number of scholarships selected from applications and 2) Merit awards based on achievements. These awards were scheduled to be presented at auspicious events in May 2020. Due to the Coronavirus pandemic, the May events were cancelled. Please congratulate each of these deserving students that you may know.

These awards reflect part of the Foundation's mission "... to motivate students to reach their scholastic, athletic, and artistic potential." Dr. Mary and the Foundation express heartfelt gratitude to all the volunteers that help with the administration of these awards. Every year our treasured volunteers review and score over 500 scholarship applications. Each application that includes an essay needs at least two volunteers to score it against a rigorous rubric. In lieu of the traditional April volunteer recognition luncheon, which could not be held due to the Coronavirus pandemic, the Foundation gratefully thanks all our volunteers!

Daisy,

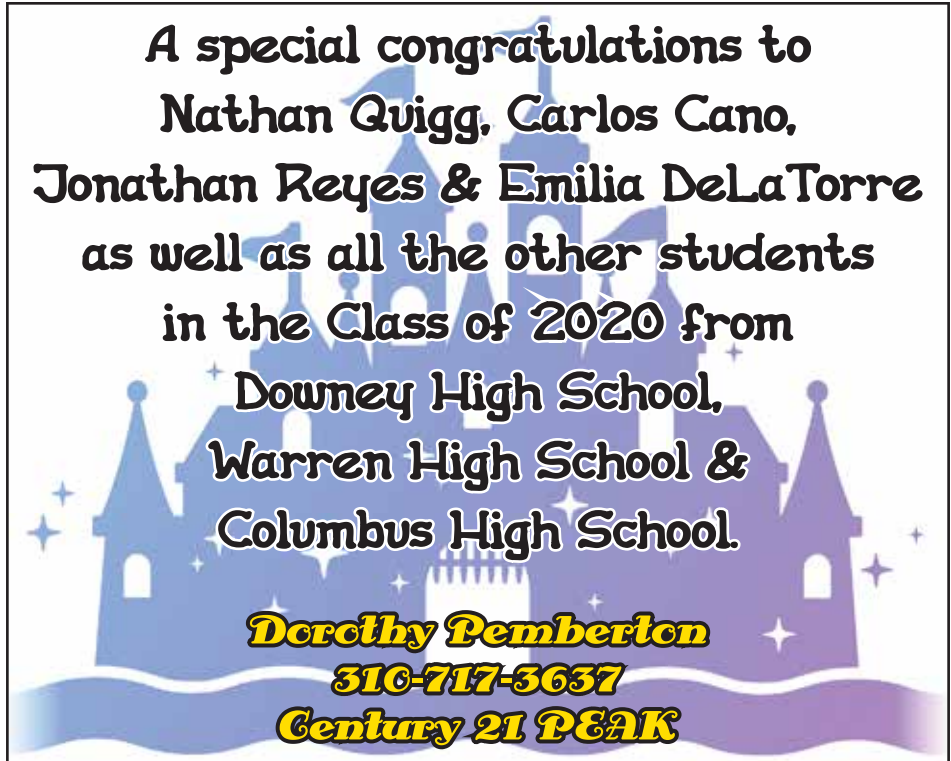

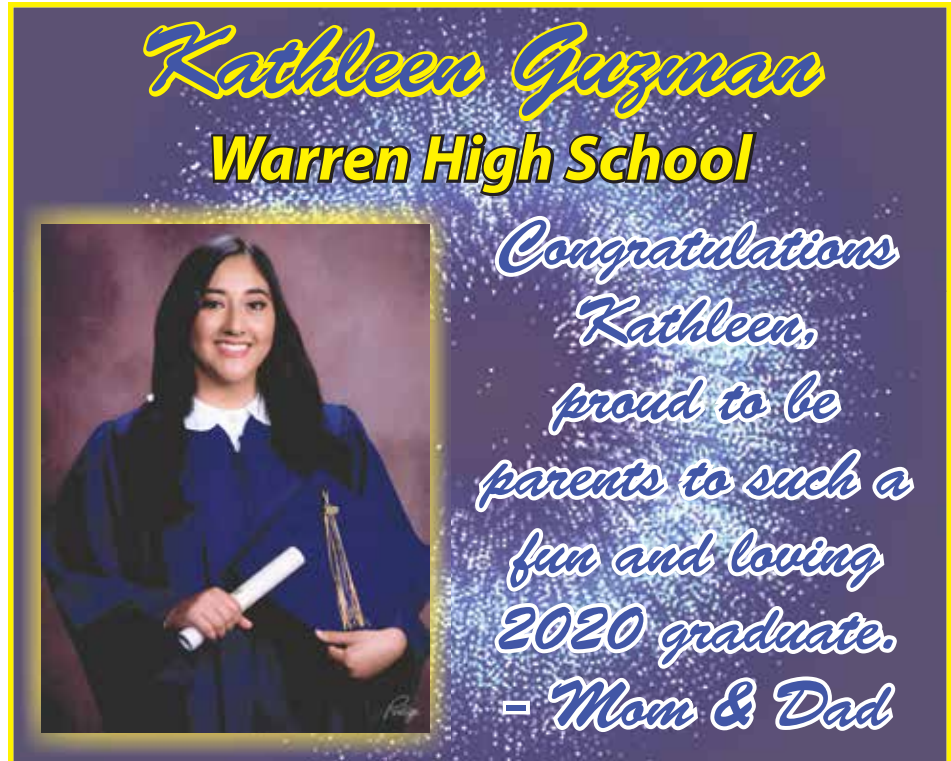

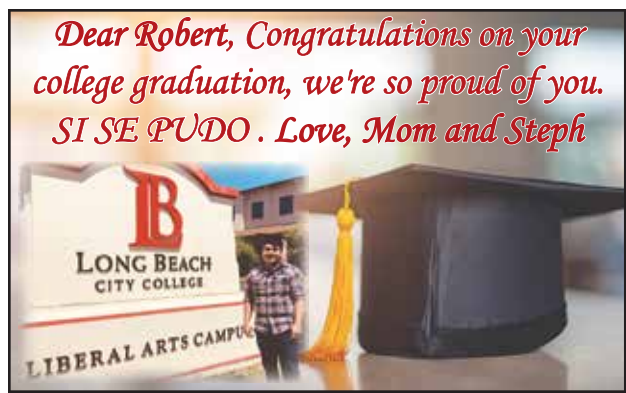

Congratulations on your high school graduation! We are overjoyed and can't wait to see what the future holds for you. Always remember that you are gifted in so many ways and can accomplish anything you set your mind to. Even though there is no formal graduation ceremony, your accomplishments are what matter most. Your year, 2020, is a breakthrough year in which we recognize you as one who survived and developed rapid skills in order to complete high school online. Your year, is the year you learned to care more about the everyday things that people usually take for granted. Your year is the year you learned to spend time with family. Your year is the year you learned to care for the young and elderly. Your year is the year you learned to appreciate your friends and family. Your year is the year you developed hope and faith. Your year is the year you learned that the journey of life may take you in a different direction. Your year is the year you learned that there is a limit to screen time, lol. Most importantly, your year, 2020, is the year you completed high school and made us proud!! Congratulations on your achievement. We wish you happiness, success, and an abundant amount of blessings. We love you! God bless you always!

Mom and Dad,  
 Rocio Duarte and Homar Lopez

Dear Columbus Pride, Class of 2020:

It has been an honor to serve as your Principal and extend a heartfelt hello!

Congratulations! You made it!!!

Every person reading this in this moment has made a positive impact on our graduates and for that I thank you.

Seniors, it is my hope that you realize how much we care for you, believe in you and hope for the absolute best for you. While every year at CHS has been a remarkable journey, this year is incredibly special. We went through a lot together and we have not gone through this year unscathed.

But through it all, we stood together, and we continue to stand by you. With teamwork and perseverance, you made it!

What I am most proud of is the teamwork and compassion extended to one another, students, families and staff, especially since the school closures due to the COVID-19 pandemic.

Seniors, our hearts go out to you. While we imagined a traditional end to this school year it has been everything but normal. Seniors, you are in our hearts and prayers, and you guide our work and decisions, daily.

Seniors, you are Class of 2020 Strong, you entered this world in the turmoil of 9-11 and you complete your high school journey in the midst of a global pandemic. Yet and still you push forward, unbroken, beautiful and resilient.

Every night, the Columbus lights would go on at 8 pm for 20 minutes and 20 seconds to honor you and express that you were not alone. These lights symbolized that we were thinking of you daily, rooting for you to stay the course and find the light of hope and faith even through the darkest of times. Seniors, images of you in our minds served as our light that inspired your CHS Team to push forward, for you.

Seniors of Columbus, your hallmark is getting up when life kicks you down, overcoming obstacles and succeeding in the face of adversity. May the drive and light in you continue to shine bright and persistent!!! You truly are our beacons to the future. I assure you, the best gift you can ever give yourself and loved ones, is a post-secondary education in college or skilled trades.

As you continue your journey into adulthood, know that Once a Lion, Always a Lion. If you need help, you know where to find us.

My Columbus Pride, Class of 2020, I KNOW you will continue to beat the odds and accomplish great things!

Go Lions!

Yours Always,

Dr. Ortiz
